The Walter Reed Tropical Medicine

http://wrair-www.army.mil/OtherServices_TropicalMedicine.aspx

AUDIENCE

This course is open to physicians, physician assistants, nurse practitioners, ESOs, 18D medics, 91S preventive medicine technicians, or other medical personnel (subject to approval).

LOCATION

The course will be held on the campus of the Walter Reed Army Institute of Research (WRAIR) in Silver Spring, Maryland. All course activities will take place in this state-of-the-art research facility. The historic Washington Mall and its national monuments are only 10 miles away.

CONTINUING EDUCATION CREDIT (CME)

This course offers continuing education credit through the U.S. Army Medical Command. The U.S. Army Medical Command is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Walter Reed Tropical Medicine Course is certified for up to 35 hours of AMA PRA Category 1 Credits. Attendees should only claim credit commensurate with the extent of their participation in the activity. Also, we are currently participating in the AMEDD Academy of Health Sciences accreditation process to have this course listed in ATRRS.
